## New milestone between HFH and USAID

On June 19, 2012, the U.S. Agency for International Development USAID, awarded to Holy Family Hospital Bethlehem a fixed obligation award the sum of \$262,000.00 for the procurement of a medical waste sterilization system.

Through the Grant, at least three hospitals in the Bethlehem area will have access to a safe disposal system for medical waste. Less medical waste will make its way to the regular garbage dump, thereby decreasing the threat of contamination to the environment and reducing the potential of endangering the public's health.

By December 18th of this year, the medical waste sterilization system will be operational in Holy Family Hospital.

## A visit to Holy Family Hospital

Ms. Elizabeth Arend, the Executive Director of American Charity for Palestine, visited Holy Family Hospital after the recommendation of the USAID agency personnel. Ms. Arend toured the different departments of the hospital and was pleased to witness the nature and high standards of care we provide for the Palestinian mothers and infants. We hope that we will have future collaboration for the sake of Palestinian society.
