

Holy Family Hospital

An Institution of the Order of Malta

“Charity sees the need, not the cause”

On September the 19th Holy Family Hospital was delighted to receive members of the British Parliament, Mr. Andy Burnham MP who is the labor party’s Shadow Secretary of State for Health, Mr. Jamie Reed MP whom he serves as one of the Shadow Ministers of Health and Ms. Seema Malhotra Member of Parliament in West London.

The team of the hospital toured every single department and facility declaring and discussing out all the sequence of hard working done in the hospital from the 140 staff members as a unity, all for one and one for all.

Our guest’s visit was conducted with a series of discussion with our Obstetric Gynecology and Neonatology team about the greatest of the Holy Family Hospital, its doctors, and its medical technology so all what we need is to make them accessible to every deprived, needy and poor Lady around the region. Thus, we are not looking forward to judge each day by the harvest reaps, but by the seeds we plant to this country.

Lion Clubs of Pontedera Donation

We were very lucky to get a donation from the Lions of Pontedera. The Lions Club donated through its president Alberto Calderani, equipment for the diagnosis of neonatal deafness. The diagnosis of neonatal deafness especially for premature babies is important to define the immediate necessary treatment, otherwise the deaf children grow up in a poor and degraded environment.

We express our thanks and kindness, which is the language that the deaf can hear and the blind can see to all those who witnessed the work done and support the mission of Holy Family Hospital.
