Hospital's News **1**
Activity Report **3**

The month of December has finally come and yes, it is once again the month of smiles and loving. All people are busy with their shopping list as well with Santa and his long list for children. Aside from the Christmas rush, we should acknowledge the true meaning of Christmas in which we celebrate to thank God for sending Jesus to our world to wash away our sins.

We at Holy Family Hospital maintain our thanking to you all for your efforts in making our mission of delivering the best services a great success this year too.

Holy Family Hospital Management takes this opportunity to wish all the staff members, friends, supporters and families a very Merry Christmas. May this Festival bring joy and prosperity to all. We wish that this holiday season will be enjoyed by all with colors and lights.
