HFH Outreach Mobile clinic since 1995: *where the poorest deserve the best*

Early every morning, 5-days a week, the mobile clinic of the hospital hits the roads with a gynecologist, a midwife and the driver of the ambulance. Reaching Na-

haline, al-Rashayda, Te-
quo' and Beit-Fajjar which are neighboring villages of Bethlehem, where people are living in pockets of poverty in remote areas often living in dreadful conditions in shacks and tents without sanitation, light, heat or clean running water. The mobile clinic stops in the middle of roads, literally in the middle of no-where, where mothers know that this is our ambulance and they come to seek the medical and antenatal care they need and had witnessed outstanding success rates . we hope the hospital will be able to continue run these services for the poor people.
