Nowadays, we are marking an increasing in the load of work about 65% compared with the previous months. The activity of the hospital continues to grow steadily with an increase in normal deliveries and a decrease in complicated cases. The increase is also seen in the patients coming to the outpatient clinics

**Mr. Jean Baptiste FAVATIER**, a new president to the Holy Family Hospital was assigned in May 2017, and have visited Bethlehem on the 17<sup>th</sup> July 2017 assuring the message of full support of the Order and the Board to the mission of the maternity.
