NEW

We have received 2 Phototherapy equipment from Dräger company, they are the newest version from dräger and Holy Family Hospital is the first hospital in Palestine that have procured this model. The phototherapy is used for new born and premature babies that needs treatment in hyperbilirubinemia.

NEW

We have received 1 CTG fetal monitor machine from Huntleigh model team21 and this equipment is essential for monitoring maternal vital signs to help access maternal wellbeing also to monitor the mother vital signs the total cost of this equipment is 49,500.00 nis

VISTING GROUPS

During their pilgrimage to the holy land, high school students from Highlands School Barcelona visited the hospital on 24 and 25 July accompanied by Father Gonzalo Monzon; a headmaster in the school.

They were given an overview about the hospital followed by a tour

in which they got to see the hospital's mission in action. Students were impressed by what they saw; they had the chance to meet staff, see babies and spend quality time in the hospital.

ACTIVITY REPORT

“Hope is a powerful motivation for Charity”
