Holy Family Hospital management committee and staff would like to take this chance to introduce the orientation program that took place for our newly 7 qualified Midwives who were due to commence working in HFH on the 14th June 2015. In collaborance with Ms. Kathryn MacQuillan from Ireland, she dedicated this month to help and support all the 7 midwives. She implemented an orientation program that was divided into 4 sections to include Antenatal, Delivery, Postnatal ward teaching spending one week in each area and daily tutorials as well.

Antenatal Ward teaching included various topics such as Documentation, Adminstration of Medications, and Admission of the Antenatal patient and appropriate maternal and fetal observations. Also, Preparing patients for OT, Emergency situations such as Obstetric Haemorrhage and CTG Interpretation.

Delivery Ward orientation included the Holistic care of the patient in labour including pain relief while labour. Extensive instruction on the safe use of Oxytocin in labour, emergency issues included Cord Prolapse, Shoulder Dystocia and Intrapartum Haemorrhage.

In the Postnatal Ward the program included care of the patients following normal, operative vaginal delivery and Caesarean Section, also, Care of patients following transfer from HDU. Moreover, Perineal and abdominal wound care. As well as the Preparation of patient for discharge following delivery.

#### Holy Family Hospital—Bethlehem

In order to compliment this ward bedside orientation and teaching, each midwife had to give daily case presentations, this was facilitated during our twice daily ward rounds of all the inpatients.

A comprehensive series of tutorials were included in the program, covering subjects such as PET, Infection/Sepsis, Diabetes, Preterm labour, Abnormal Presentations and CTG Interpretation. Dr Rana Shalaldeh, Obstetrics and gynecology resident doctor at HFH gave a tutorial on Neonatal Resuscitation and Senior Neonatal Nurse. Meanwhile, Therese khier a neonatal nurse and responsible for the infection control gave a tutorial on the Infection Control.

At the end of the second week program Ms. MacQuillan gave each Midwife an Appraisal and this was discussed with Sr Maha Sansour Matron at HFH.

Ms. MacQuillan: "I would like this opportunity to thank Sr Maha for inviting me to facilitate this program, the staff in the A/N - P/N and the Delivery Units for their willingness to accommodate myself and the group during the 2 weeks.

Finally, I would like to say the 7 new Midwives were a pleasure to teach and get to know. They were very eager to get as much information as possible and were very enthusiastic to practice Midwifery to the highest possible standard. I have no doubt that these young intelligent midwives will be an asset to HFH in the immediate term but more especially in the long term as their hands on experience grow."

## June's Activity

# ALI Our NICU Superman!!

Ali was a premature baby who was admitted to our NICU unit and remained in our neonatal intensive care for three months. Now he is one year old with a good health, active and cleaver. His parents came to HFH NICU unit to celebrate his first birthday with our doctors, nurses and our Ophthalmologist from Saint John who examined his eyes regularly joined his birthday.

# NICU team and Management Committee wishes him a very Happy birthday!!

# Groups visiting Holy Family Hospital during their pilgrimage program to the Holy Land

*Ms. Ruta Voveryte*, Member of the Presidium of the Order of Malta Relief Organization/Lithuania, visited the hospital on June 18, 2015. Ms Voveryte expressed her admiration regarding the work being done at Holy Family Hospital to serve the poor and sick.

*Dr. Maria Sophia Aguirre*, Ordinary Professor of Economics / Catholic University of America, and *Ms Barbara Drake Garcia*, FPCS/Spain, visited the hospital on June 25, 2015.

Dr. Aguirre and Ms. Garcia were very pleased to see our work. Dr. Aguirre had great ideas regarding new technologies to be used in our Operating Rooms that will be taken into consideration in the

renovation project of our Operating theatre. Moreover, Ms Garcia has been working in Palestine for a long time in developing the educational system and now is working with Bethlehem University on a dedicated program for the children with development growth problems; Ms Garcia was pleased to know about our Paediatric outreach mobile clinic and the many children suffering from development growth problems that we detected through the services provided in our mobile clinic. Ms Garcia confirmed that Holy Family Hospital will have a great and major role in their program with Bethlehem University.

All our visitors were briefed about the hospital developments, achievements over the years, our services and programs. In addition, a tour in the hospital different departments took place.

We would like to take this opportunity to thank all of you for sparing some time during your pilgrimage program to visit our hospital and witnessing our work first-hand.

### Over 45 Well Women Clinic / Health Education Session

On June 15, 2015 a Health Education session was held in Beit-Sahour for the women over 45 years who are members of Virgin Mary's Well Women Committee. Dr. Dabdoub, doctor responsible of our Over 45 well women clinic, conducted the lecture.

Dr. Dabdoub discussed all menopausal symptoms, how to deal with these signs and symptoms, and discussed what is needed in order to prevent and lessen the chronic conditions that may occur with aging. In addition, concentrated on the issue that women at this age are at higher risk of Cardiovascular Disease, Osteoporosis, Urinary incontinence, Overweight/obesity, Breast cancer, Abnormal Uterine Bleeding, Cervical cancer, Vaginal Dryness, joint pain, high cholesterol level and informed them about our services that we provide at our clinic to assist women in having a better quality of life during this age.

After the lecture, a discussion was held and women had plenty of questions regarding the Menopausal symptoms and were very glade and pleased for attending this lecture. A total number of 46 women attended the lecture. During June and mainly after the lecture a total of 36 women visited the clinic and are benefiting from the services provided at this clinic. It is estimated that more and more women will be coming to the clinic.
