Holy Family Hospital is the primary maternity center for Bethlehem area which comprises the towns of Bethlehem, Beit Jala, Beit Sahour and Doha, neighboring villages, refugee camps and Bedouins settlements. The hospital also acts as a referral center for UNRWA, the Beit Jala Government Hospital, PA MOH and a number of small local maternity homes for their high risk cases. With the establishment of outreach clinics and a growing reputation for high quality care more and more mothers are coming long distances from the areas of Hebron and Ramallah. Everybody is welcome to the HFH regardless of race religion, color or culture.

HFH has five major departments serving unconditionally day and night the mothers and infants. Neonatal care, Operation room, emergency, Labor ward , postnatal department and Nursery. Consequently, each has its own role in facilitating the labor ache.

The Labor ward department in HFH is an emergency admission unit for

pregnant women as well as a laboring and delivery area. The regular labor ward team consists of Midwives, Student Midwives, Consultant Obstetricians, Resident obstetricians, Anesthetists, and Housekeepers.

This branch encountered an extremely full of activity months during; July, August and September. Numerous deliveries, pain, hard working, punctuality, trustworthiness and dedication .Every and each team member showed his most excellent and finest effort.

Below is a diagram illustrating the work done throughout 2016.

Last and not the least , we wish our team many more years of success and commitment towards HFH reputation and mission .

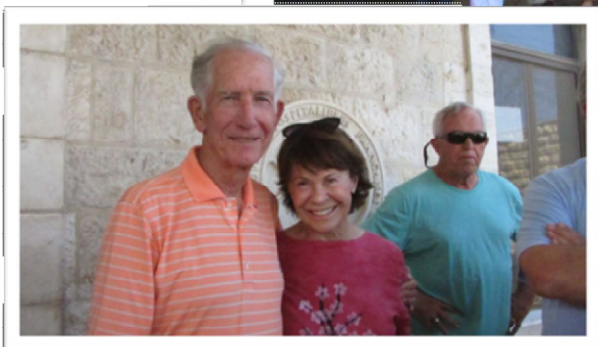

September Activity

Visiting group to HFH

Friday, September 23, marked a visit from the Holy Family Hospital Foundation friends to HFH to witness the wonderful work that goes on here. They were 10 members in the group, they were in a visit to Bethlehem , and spared some time to attend our privileged Hospital.

Our Management Committee would like to grab this chance to thank our visitors for their motivation and devotion in visiting our institution.

A new baby is like the beginning of all things...wonder, hope ,a dream of possibilities

30th September HFH marked a birth of a premature quadrates, 3 boys and one girl ,each one of them weighted only one kilo gram with mainly a good health. They were transmitted to the NICU department to meet the most expertise team at Bethlehem district, in order to receive the best medical care. Our neonatal nursing team also plays a major role in scheduling, revising and monitoring their lives every and each single moment throughout the 3different shifts.

We wish they will become stronger and better by the days.

We love you , We care for you , that is why we are called Holy Family Hospital
